

WALLDRESS

Y 515 Anna&Enrico Cattaneo

Waldress is a modular system in which an aluminium storage wardrobe with glass shelves takes centre stage, alongside the boiserie. The system is developed in several variants to meet different requirements. Its main characteristic is its versatility thanks to its many variations in terms of frame and materials. The lighting makes the most of every opening in the panel.

The cabinet can be adapted to any environment: aligned with the boiserie, partially recessed or completely outside the wall. In addition, it comes with or without doors and with glass back, excellent as a room centrepiece. The 50, 100 or 120 cm panels are made entirely of aluminium painted in the following colours: matt bronze, matt champagne, matt lead grey, and matt moka. These panels come in a maximum height of 300 cm and with double depth.

The base of the panels is made from lacquered wood and the inner top is mirrored. In reduced height models, the closing top comes in glass. All shelves are made of bronze or smoky glass, with or without lighting. The courtesy drawers, with an aluminium frame, have leather or glass fronts and can feature different types of kits for internal organisation.

The back and side panels (finished internally/externally depending on their use) come in the following finishes: Transparent Glass, Wavy Glass, Stop-sol Glass; covered in Techsuede; covered in faux Leather; matt finished Wood in the following types: Maple, Newood Ebony, Newood Eucalyptus, light Canaletto Walnut, medium Canaletto Walnut, dark Canaletto walnut; Ceramics: Diamond cream, Emperador brown, Grey. The doors with an aluminium frame, featuring a logo-printed leather handle (right side), measure 50 or 60 cm and are available in the following finishes: Transparent Glass, Wavy Glass, Stop-sol Glass; covered in Techsuede; covered in faux Leather; matt finished Wood in the following types: Maple, Newood Ebony, Newood Eucalyptus, light Canaletto Walnut, medium Canaletto Walnut, dark Canaletto walnut; Ceramics: Diamond cream, Emperador brown, Grey.
