"I was fortunate enough to visit the lifelong residence of Coco Chanel located at 31 Rue Cambon, Paris, which remains in its original state. Within the house, the Camellia, Coco's signature flower, is featured as a small detail in her treasured Chinese lacquer panels. Her signature flower is incorporated into many of my own designs in homage to her work, including this rug." - Christopher Guy

The Christopher Guy lifestyle collection is based on Christopher interpretation of how Coco Chanel Paris apartment may have looked like in today's world. This creation was first designed by Christopher several years ago, inspired by her signature flower. the
